Secret Places: Ethical Private People

Chapter 12

Research Opportunities and Responsibilities
Chapter 12: Preparing People: Seven Places in France

From Regulatory Compliance to Ethical Conduct

Section III: Research Opportunities and Responsibilities

169
Identify the Issues; Identify the Parties

Table 12.1: Steps to Resolving an Ethical Dilemma

How Can Researchers Decide What to Do When Presented with an Ethical Dilemma?
Consider Consequences

When or what will be done?

When or what will be tested?

Research Questions

Identify

In the set of research questions, those whose needs they serve

Research Opportunities and Implications in Practice
The issue you're interviewing seems broad and may involve the outcomes of research, policy, and decision-making processes. It could deal with environmental, economic, or social aspects. Your question should focus on specific areas of interest to the interviewee.

Is it possible to get a deeper understanding of the interviewee's perspective on the issue?
